Brown University /Moses Brown Logistics

1. Sailing facility is Edgewood Yacht Club: 1 Shaw Ave, Cranston RI 02905. We encourage parking in the south/right hand parking lot at the bottom of the hill as well as on the street along Shaw Ave. Overflow parking along Narragansett Blvd at the top of the street is allowed and encouraged if arriving in a large bus.

2. I can be contacted at chriscraneri@gmail.com or mobile 401-862-0128

3. Edgewood Yacht Club is under construction, PLEASE inform and monitor yourselves and your sailors to keep everyone safe by not entering the cordoned off construction area and equipment. Docks are also in temporary locations and may shift under weight more than usual PLEASE be mindful, no texting and walking!

4. The event will be run out of the large tent to the north of Shaw Ave. Please do not utilize Brown University's temporary building or the EYC cottage unless directed by one of your hosts. The official regatta notice board will be under the tent in the SW corner. Notice of Race, Sailing Instructions and Rotation sheet are posted on Tech Score and will be on the official notice board.

5. Bathrooms/changing rooms are located next to the tent. There is potable city water available by hose on the NE corner of the bathroom deck. I remind you of our common goal to be kind to the environment so we do not wish to see small single use water bottles at any sailing event at any level.

6. Once you've checked in with scorer under the tent next to the notice board, confirm your rotation order, rig your boat ASAP so we can get going right after sailor's meeting.

7. The regatta is on Tech Score, please feel free to begin populating your RP forms today. There will be NO paper forms at the regatta. I remind you of the 20pts per division penalty for improperly filled out RP forms.

8. Protest forms will be available on the official notice board. Completed forms should be filed with regatta chair. Coaches may be utilized for protests.

9. At regattas end, please be mindful of your obligations:

- Complete RP Forms
- Congratulate any teams that beat you that day ….
- Have all your people and gear
- Leave your boat and EYC cleaner than you found it
- Check out with Chris Crane that all obligations are complete GOOD LUCK!
