Nov 3-4, 2018

**NOTICE to COMPETITORS**

As per, 12.9 FORMAT:

Further racing will follow an updated format: teams are broken into gold (6 teams) and silver (8 teams) fleets based on their seed (rank) as determined by the District prior to racing in this event. A gold rotation and silver rotation will be sailed. If these round robins are completed with remaining race time available, additional races may be attempted, as determined by the regatta chairperson and chief umpire.

The Regatta Organizer and Chief Umpire may update this format in accordance with 12.8 and 12.9.
