12.3 The top three schools from each group (or if a full round is completed, the top six teams) will advance to the gold round. The other six schools will advance to the silver round. If the initial qualifying round is not a full round, each of the teams within gold and each of the teams within silver will then sail against any team within it's gold or silver division that it has not yet competed against.

12.4 After completion of the initial qualifying round, and reseeded into silver and gold fleets, a silver and gold round robin will be attempted, followed by a final-4 championship round for the gold.
