

DC Sail Dock Location at Diamond Teague Park Piers (Please click on the links for information/maps.)

DC Sail – [Diamond Teague Park Piers, 99 Potomac Avenue SE, Washington, DC 20003](#)

Vehicle parking at our location can be difficult to find. We strongly recommend the use of public transportation, Metro (nearest station is Navy Yard/Ballpark on the Green Line,) or taxi/Uber/Lyft type service.

If you do drive, here are a few parking garage/lot options:

Please keep in mind these lots fill to capacity and may not be available, especially on days during home games for the Washington Nationals and DC United. On those dates street and garage/lot parking is severely restricted and very expensive, if you can find a space.

Dock 79 Building – [79 Potomac Avenue SE, Washington DC 20003](#) (Pay to park in garage via the entrance located on side of building.)

Maren Residential Building – [71 Potomac Avenue SE, Washington, DC 20003](#) There is a surface lot behind/adjacent to the building, but we do not have contact/name information for it. It is privately-owned and you use the ParkMobile App on your phone to park there.

Surface lot at The Yards Park – [First and N Streets SE](#), across from Nat's ballpark. Part of this lot may be under construction.

Surface lot located adjacent to District Winery which is about a 10-15 minute walk to our docks. [385 Water Street SE, Washington, DC 20003](#). Lot is along the waterfront and there is a Riverwalk that you can follow to our Diamond Teague Park Piers Location.
