

#### WIND LIMIT GUIDELINES:

- I. No race will be started in wind conditions under 3 knots (3.45 mph).
- II. No race will be started when the wind gusts register at or above 21 mph as measured on the race committee boat.
- III. If, after a race has started, the wind gusts register at or above 21 mph as measured on the race committee boat, the PRO will shorten or abandon the race. If the wind gusts register at or above 23 mph as measured on the race committee boat, the PRO will abandon the race.
- IV. If in the opinion of the PRO, an unsafe condition exists or may be developing while the wind registers below the class limits as outlined herein, the PRO may choose not to start, may shorten, or may abandon the race.
- V. Examples of unsafe conditions are weather changes such as severe storms approaching, lightning, rain, hail, fog, darkness, wave height, water temperature, and adverse current, etc.
