

The Gunston School
Regatta Venue Information

Parking:

Notice: The Primary Parking location is reserved for Coaches/Bus/Vans. Please recommend that any parents/spectators park in overflow.

Weather/Rain:

There are no locations to keep dry/warm, please plan accordingly.

Spectators:

Gunston has the ability to stage a large number of people at its waterfront, however, only teams/coaches are allowed down by the water's edge. This limits the view of the course from atop the "hill." We ask that Teams/Coaches get settled in at the waterfront and Parents/Spectators stage up top the hill. Parents/Spectators are allowed in both locations but if we have an abundance of people we may ask that anyone not primary to a team not be at the water's edge.

Driving:

IMPORTANT, Individuals(any) not adhering to Gunston campus speed limit(10 mph) will be asked to leave.

Questions:

Please reach out to Tom Chafey 410-829-6928
