19	SFYC	39	PYSF	59	RYC	79	SYC	99	Stevenson	119	SCYC	139	SYC		
20	SFYC	40	PYSF	60	RYC	80	SYC	100	SCYC	120	Davis HS	140	SYC		

In September, 2010, in order to streamline things for the hosts of NorCal HS regattas, NorCal instituted a process whereby we would ask each Yacht Club or sailing Center that hosts HS teams to send their teams to NorCal regattas with distinct sail numbers. We initially purchased (from APS) and distributed 99 sets of 12" black sail numbers to affix to the top portion of the sails (above the top batten on starboard side, and below the top batten on the port side). We advised that any existing sail numbers need not be removed, since these new would in most instances be situated higher on the sail than normal placement.

Since that time, the allocations have expanded, and we have been keeping track of those assignments. The above is the most recent allocation status. Buying additional sail numbers, and affixing them in the above manner, is the responsibility of the teams and/or organizing club.
