

O'Day Qualifier at St. George's: Saturday April 21, 2018

This is for those people who will be attending the qualifier hosted by St. George's at Ida Lewis YC. We're looking forward to seeing you all bright and early on Saturday.

If you need to contact me, either email me at roy_williams@sgeorges.edu or give me a call my cell 401 835 0041. Look forward to seeing you all this weekend.

Facilities at Ida Lewis are limited so be prepared for a day with no inside shelter and limited facilities. Due to construction, we will not have access to the covered part of the club as we have in the past so we will be outside all day.

Parking

There is some parking on either side of the road near the club and more all along the road (back towards town). Once you've parked walk out to the club. There will be a packet there for you which will contain, a boat rotation sheet, and some protest forms. Sailing Instructions, boat rotations and courses are posted on Tech Score and will be on the official noticeboard which will be on TechScore.

If you have VHF it would be great if you could bring it. We will operate on channel 72.

We will sail two A then two B etc. with rotations off the dock. We'll sail without a break for lunch so bring lunch or order it to be delivered.

"A" division sailors should be ready to go the moment the sailors' meeting, which will be on the dock and will start at 9:15am, is over as the first race will start very shortly after the conclusion of this meeting.

There will be a brief coaches meeting before the sailors' meeting.

PLEASE REMEMBER THE WATER BOTTLE POLICY

On the day sailing logistics:

1. Check it to make sure you know which boat you will be sailing in race 1A. You can rig it as soon as you arrive but leave the main and jib down.

Z420s #1-18 are located on the dock.

All boats get put back at the end of the day in the location they came from in numerical order.

3. If you need an additional protest form, they will be available from the NESSA Representative at the regatta, Chris Crane. Completed protest forms should be filed with the Regatta Chair, Roy Williams..

4. At the end of the regattas, please make sure that you have:
 - a. Filled out the RP form completely on Techscore.
 - b. Picked up all of your gear and stuff.
 - c. Cleaned up any trash.
