

## Spectating Options in Annapolis for PKM:

Option 1: Naval Academy seawall near the practice fields. You will need a government issued ID to walk onto the Academy grounds. You CANNOT drive onto the Academy. You will need to find parking downtown and walk on. There are parking garages on West Street, and plenty of parallel parking on the streets of Annapolis as well. Duke of Gloucester has lots of parking on the side of the road.

Option 2: End of Severn Ave. There is a beach and some benches there that you can watch from. It is small, but should have a decent view of the event. You may want to bring a beach chair.

Option 3: End of Chesapeake Ave. There is a park called "Horn Point Park". This is a bit bigger than the area at the end of Severn Ave. You may want to bring a beach chair!
