6 COURSES AND MARKS

6.2 The course to be sailed will be announced orally and taken from the course diagrams posted on the Techscore notice board and on these Sailing Instructions (appendix 1).

6.3 All rounding marks will be orange Inflatable cylinders. The start finish marks will be orange or yellow inflatables.

6.4 In accordance with ISSA PR 7.7, after the starting signal, the race committee may change the position of any mark to maintain course configuration, if no boat is on that leg of the course. No signals are required (changes RRS 33).

7 ROTATIONS

Rotations will occur on the first two sections of the floating dock closest to shore.

7.1 Sailors must be prepared for their rotations and wait for their boat to come to the dock in the grass area by the dock.

7.2 Only two boats will rotate at one time on the floating dock. Only the individuals rotating out/in the boat and their coaches will be allowed on the floating dock. When rotated out of your boat, please proceed immediately off the dock area so that other teams may rotate in.

8 SHORTENING OR ABANDONING RACE

In accordance with ISSA PR 7.7 (d) races will not be shortened. They will be abandoned. No signals are required. A race may be abandoned at any time at the discretion of the race committee, in consultation with the protest committee if possible.

9 START, FINISH AND RECALLS

Races will start in accordance with ISSA PR 7.8(a) except that RRS Appendix S - Sound-Signal Starting System will be modified as follows:

9.1 Individual Recall - When, at a boat's starting signal, any part of her hull is on the course side of the starting line, or she must comply with RRS 30.1, the race committee shall promptly display flag X (or a designated flag or device). The flag shall be displayed until the hull of each such boat has been completely on the pre-start side of the starting line or one of its extensions, and until all such boats have complied with RRS 30.1 if it applies, but not later than two minutes after the starting signal, whichever is earlier. The Race Committee may also attempt to notify individual boats by hailing their sail or bow numbers. (Changes RRS 29.1 and U4)

9.2 General Recall – The race committee may signal a general recall by multiple sounds and the hail of “general recall” and need not display the First Substitute. Following a general recall, the warning for any subsequent start may be initiated at any time. (Changes RRS 29.2) After a general recall, RRS 30.1 (I Flag Rule) shall apply and no signal need be given. (Changes RRS 30.1)

9.3 As a courtesy, the Race Committee will attempt to hail boats "On Course Side" (OCS) as soon as possible after the start. Failure of electronic equipment, failure to hear a hail, order of hail, or delay in hailing will not be grounds for redress. This modifies RRS 62.1 (a).

9.4 The “round the ends rule” provisions of RRS30.1 may apply for any start if hailed prior to the starting sequence. The signal will be made orally and with the display of flag “I”. This changes RRS30.1
