Some Notes on Hingham Yacht Club Rules:

- There will be a designated area for sailors to put their gear and get suited up. This will be located on the front deck, underneath the large deck roof. There will be HHS members on site to guide everyone along with HYC staff. This will be a great spot to watch from as well
- ***Hingham Yacht Club prefers all visitors to use the bathrooms located across from the gate, not the ones that are inside the club house.***

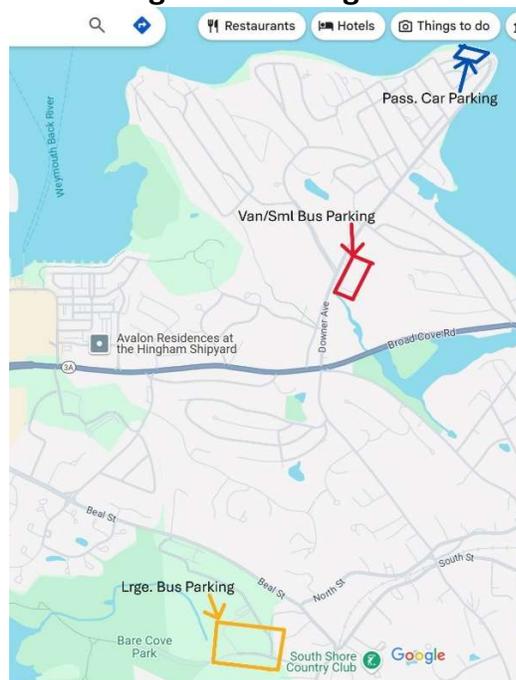

FOOD – Hingham High School Boosters will provide continental breakfast and lunch for your sailors and coaches. Planning on Coffee/bagels and Pizzas/Fruit/Cookies. If your team is interested, please send a \$30 contribution via Venmo to @HHSsailing

Refillable Water Station - there is a water refill station that we encourage everyone to use. Please avoid bringing single use plastic bottles.
